EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jeffrey Duquette on 2/12/09.

The application has been amended as follows:

Referring to claims 123, 124, & 126; delete "The program storage device" and replace with "The computer readable medium".

Allowable Subject Matter

2. Claims 1 & 58-126 are allowed. The following is an Examiner's statement of reasons for allowance:

Claims 1 & 58-126 are considered allowable since no prior art reference or combination of prior art references in combination disclose or suggest the combination of limitations specified in the independent claims including:

"the commander network device being user-configured as at he point of access for the devices of the cluster" in combination with other claim limitations as specified in claim 1.

"configured to operate as part of the cluster of network devices and the commander network device being user-configured as the point of access for the devices of the cluster" in combination with other claim limitations as specified in claim 66.

"the commander network device being user-configured as the point of access for the devices of the cluster" in combination with other claim limitations as specified in claim 78.

“the commander network device being user-configured as the point of access for the devices of the cluster” in combination with other claim limitations as specified in claim 81.

“configured to operate as part of a cluster and the commander network device being user-configured as the point of access for the devices of the cluster” in combination with other claim limitations as specified in claim 88.

“the commander network device being user-configured as the point of access for the devices of the cluster” in combination with other claim limitations as specified in claim 96.

“the commander network device being user-configured as the point of access for the devices of the cluster” in combination with other claim limitations as specified in claim 99.

“configured to operate as part of the cluster of network devices, the commander network device being user-configured as the point of access for the devices of the cluster” in combination with other claim limitations as specified in claim 108.

“the commander network device being user-configured as the point of access for the devices of the cluster” in combination with other claim limitations as specified in claims 118, 122, & 125.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
